

Website Enhanced Listing – Business Profile

The City of Ithaca is inviting all businesses to advertise their own page on our website. If you are interested in having an informational web page included in a City-wide Business Directory, just complete this form and return it to Ithaca City Hall. The initial set up fee is \$50.00. Additional years may be renewed for \$25 each year. The City will start your page for you, and will then give you login instructions so you can update your web page, upload coupons, menus and other advertising information and even link it to your Facebook page. If you wish to add a logo to your listing or a photo of your business, please send a **.jpeg** version of the photo or logo to dda@ithacami.com. Any questions, contact: DDA Coordinator Shelly Moffit at (989) 875-3200.
