

Website Enhanced Listing – Business Profile

The City of Ithaca is inviting all businesses who want to be advertised on their own page on our website business directory. If you are interested in having an informational web page included in our City website Business Directory, just complete this form and return it to Ithaca City Hall. The initial setup fee is \$50 and can be renewed for just \$25 a year. The City will start your page for you and will then give you login instructions so you can update your web page, upload coupons, menus and other advertising information and even link it to your Facebook page. If you wish to add a logo to your listing or a photo of your business, please send a **.jpeg** version of the photo or logo to dda@ithacami.com. Any questions, contact: Ithaca DDA (989) 875-3200.
